The article, A unified view of density-based methods for semi-supervised clustering and classification, written by Jadson Castro Gertrudes, Arthur Zimek, Jörg Sander, Ricardo J. G. B. Campello, was originally published electronically on the publisher's internet portal (currently Springer-Link) on 23 August 2019 without open access. With the author(s)' decision to opt for Open Choice, the copyright of the article changed on 30 July 2020 to © The Author(s) 2020 and the article is forthwith distributed under the terms of copyright.

The original article has been corrected.
