Retraction Note: Education and Information Technologies (2021) 27:2267–2282
<https://doi.org/10.1007/s10639-021-10674-1>

The Editor-in-Chief has retracted this article because the authors did not provide documents confirming that ethics approval was obtained for the study. In addition, the article shows evidence of authorship manipulation: it appears authorship for this article was offered for sale before the article was submitted to the journal. The authors did not respond to any correspondence from the Editor about this retraction.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at <https://doi.org/10.1007/s10639-021-10674-1>.
