The Editor-in-Chief has retracted this article because the authors were unable to provide documents confirming that ethics approval was obtained for the study. Additionally, an investigation by the publisher suggested that authorship for this article was offered for sale before the article was submitted to the journal. Nidal Al Said has stated on behalf of all co-authors that they do not agree to this retraction.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
