The Editor-in-Chief and the Publisher have retracted this article. The article was submitted to be part of a guest-edited issue. An investigation by the Publisher found a number of articles, including this one, with a number of concerns, including but not limited to compromised editorial handling and peer review process, inappropriate or irrelevant references or not being in scope of the journal or guest-edited issue. Based on the investigation's findings

the Editor-in-Chief therefore no longer has confidence in the results and conclusions of this article. Neeraj Gupta, Saurabh Gupta, Mahdi Khosravy, Nilanjan Dey, Rubén González Crespo and Nilesh Patel disagree with this retraction. Nisheeth Joshi has not responded to any correspondence from the Publisher about this retraction.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
