Retraction Note to: The Journal of Supercomputing (2019) 75:4459–4471 <https://doi.org/10.1007/s11227-019-02882-x>

The Editor-in-Chief and the publisher have retracted this article. The article was submitted to be part of a guest-edited issue. An investigation by the publisher found a number of articles, including this one, with a number of concerns, including but not limited to compromised editorial handling and peer review process, inappropriate or irrelevant references or not being in scope of the journal or guest-edited issue. Based on the investigation's findings, the Editor-in-Chief therefore no longer has confidence in the results and conclusions of this article.

The authors Jungho Kang and Young-Sik Jeong have not responded to correspondence regarding this retraction. The publisher has not been able to obtain a current email address for author Hyun-Woo Kim.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
