RETRACTION NOTE

Retraction Note: RFDCAR: Robust failure node detection and dynamic congestion aware routing with network coding technique for wireless sensor network

T. Gobinath[1] · A. Tamilarasi[2]

Retraction Note to: Peer-to-Peer Networking and Applications (2020) 13:2053–2064
https://doi.org/10.1007/s12083-019-00806-3

The Editor-in-Chief and the publisher have retracted this article. The article was submitted to be part of a guest-edited issue. An investigation by the publisher found a number of articles, including this one, with a number of concerns, including but not limited to compromised editorial handling and peer review process, inappropriate or irrelevant references or not being in scope of the journal or guest-edited issue. Based on the investigation's findings the Editor-in-Chief therefore no longer has confidence in the results and conclusions of this article.

The authors disagree with this retraction.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at https://doi.org/10.1007/s12083-019-00806-3.
