Retraction Note to:

Evolving Systems (2020) 12:949–963 <https://doi.org/10.1007/s12530-020-09350-5>

The Editor-in-Chief has retracted this article. After publication, concerns were raised regarding authorship. Specifically, Case Western Reserve University has confirmed that the second author, Dragan Rodriguez, is not and has never been affiliated with their institution. In addition, this article contains material, throughout section 2 and Tables 1 and 2, that substantially overlaps with (Shi et al. 2020). None of the authors have responded to any correspondence from the publisher about this retraction.
