DOI 10.1007/s13721-016-0117-6**

The authors would like to publish an erratum to address the error in the formulas (3) and (4) under the Sect. 4.2 (Page 8). The formulas have been corrected in the original article.

The correct formulas are as follows:

Precision = Number of correct concepts/Total number of  
extracts concepts (3)

Recall = Number of correct concepts/Total number of  
correct concepts that should have been extracted.  
(4)
