Changes in the Editorial Board

The term in office of our journal's editors is generally limited. Every time a tenure ends, the editorial board determines new members by ballot vote. We welcome Prof. Dr. Andreas Gadatsch, Bonn-Rhein-Sieg University of Applied Sciences, and are looking forward to exciting and successful cooperation. At the same time, we would like to thank Prof. Dr. Frank J. Rump, University of Applied Sciences of Oldenburg/Ostfriesland/Wilhelmshaven, who has left the editorial board, for the valuable cooperation.
