# Retraction notice: Effective implementation of Japanese quality methods during health pandemics

Retraction  
notice

637

---

The publishers of the *Business Process Management Journal* wish to retract the article Abdallah, A.A. (2021), "Effective implementation of Japanese quality methods during health pandemics", *Business Process Management Journal*, Vol. 27 No. 7, pp. 2123-2143. <https://doi.org/10.1108/BPMJ-11-2020-0509>

An internal investigation into a series of submissions has uncovered evidence that the peer review process was compromised. As a result of these concerns, the findings of the article cannot be relied upon. This decision has been taken in accordance with Emerald's publishing ethics and the COPE guidelines on retractions. The author of this paper would like to note that they do not agree with the content of this notice. The publishers of the journal sincerely apologize to the readers.
