Message from the Program Chairs
IDS 2022
BigDataSecurity/HPSC/IDS 2022

Welcome to the 8th IEEE International Conference on Intelligent Data and Security (IEEE IDS 2022) in Jinan, China! Jinan is a wonderful place for serving an international forum for researchers to exchange or share thoughts as well as gathering latest academic work in intelligent data and security.

The theme of IDS 2022 is collecting the latest achievements and exchange research ideas in the domains of intelligent data and security. We are sure that joining IDS 2022 would be a great opportunity for all attendees, participants, and contributors to build up your social networks in academia and expand your research work in the focused fields. This year we have received 122 valid submissions to IDS 2022. The area of Intelligent Data and Security is booming. We accepted 18 full papers. The acceptance rate is 14.75%.

Moreover, we thank all committee members and conference organizers for their efforts and hard work. We give a special thanks to General Chair Hongjun Dai; Publicity Chairs Yi Zeng and Yonghao Wang, Local Chair Luna Li and Md Liakat Ali. We also owe special thanks to our sponsors: IEEE, IEEE Computer Society, IEEE TCSC, IEEE STC Smart Computing, North America Chinese Talents Association, and Longxiang High Tech. Again, it is a very great pleasure for me to welcome you on behalf of the Conference Committee, to the 5th IEEE International Conference on Intelligent Data and Security (IEEE IDS 2022). I hope you enjoy the conference.

I believe we have chosen a venue in which guarantees a successful technical conference amid the culture. With our charming venue, we are sure that you will enjoy your journey at HPSC 2022 for socializing with other scholars and gridding the academic social networks.
