

WELCOME!

Welcome to the ISSCC 2013 Digest DVD. From its beginning in 2005, this DVD is a response to the many requests we have received over the years for Conference-time search-ability.

This DVD is designed so that you may access the Digest in various ways: For example, using the “Browse By” link to reach several pop-down menus, in various ways, to access papers, and so on.

I wish to acknowledge the technical work by Brad Philips and Chris Gooch of MIRA Digital Publishing in the production of this DVD, using the basic Digest data provided by Steve Bonney of S3 Digital Publishing.

We hope you benefit from using this ISSCC product!

Enjoy!
