

## Reviewers and Editors Appreciation 2023

DANIEL BENEVIDES DA COSTA

ON BEHALF of the editorial board, I would like to thank all our reviewers for their effort and dedication. As has already become customary, at the beginning of each year we recognize reviewers for their sustained and outstanding review contributions. The list of 2023 exemplary reviewers is provided below. We also recognize our editors for their outstanding service in terms of timely decisions and constructive feedback provided to authors. The list of 2023 exemplary editors is provided below.

Let us congratulate both reviewers and editors for their exceptional service in 2023! The high quality of the IEEE COMMUNICATIONS LETTERS would not be possible without the invaluable support of reviewers, editors, and authors. Thank you all for your great contributions during 2023!

As we are beginning a New Year, I would like to end this editorial note by wishing all our readers, authors, reviewers, and editors a happy, healthy, and prosperous New Year!

BENEVIDES DA COSTA, *Editor-in-Chief*
