Cast Your Vote

We are now entering the IEEE election year process. The Society on Social Implications of Technology is having an election this year for three Members-at-Large. Please read the credentials of the candidates and vote accordingly.

I hope all are safe from the pandemic. The Board of Governors meets the second Tuesday of every Month. I encourage all of you to be involved in the governance of your Society. Please submit your willingness to serve on the Board or any of its committees. I am particularly interested in forming Society Chapters in IEEE Regions 3–6. Contact me for more information.

Stay safe.
