

Correction to “Finger Vein Code: From Indexing to Matching”

Lu Yang^{}, Gongping Yang^{}, Xiaoming Xi^{}, Kun Su, Qing Chen, and Yilong Yin^{}

IN second paragraph of the footnote on the first page of [1], the institution information of Lu Yang and Xiaoming Xi is inaccurate. The correct institution name is “School of Computer Science and Technology, Shandong University of Finance and Economics.” So this paragraph should be corrected as:

“L. Yang and X. Xi are with the School of Computer Science and Technology, Shandong University of Finance and Economics,

Jinan 250014, China (e-mail: yangluhi@163.com; fyzq10@126.com).”
