Friday 1 May 2009

I certify that I carried out the research leading to the following publications whilst I was an adjunct member of staff at the Australian National University.

Publication title: Business transformation to SOA: Aspects of the migration and performance and QoS issues (conference article)
In: Proceedings of International Workshop on Systems Development in SOA Environments (ICSE 2008)

Publication title: Identify issues and concerns in software reuse (conference article)
In: Proceedings of International Conference on Information Processing (ICIP 2008)

Publication title: Performance modeling for service oriented architectures (conference article)
In: Proceedings of International Conference on Software Engineering (ICSE 2008)
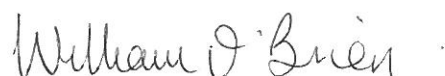

Publication title: Software product lines in automotive systems engineering (conference article)
In: Proceedings of SAE World Congress and Exhibition 2008

Publication title: Introduction: First International Workshop on Quality of Service Concerns in Service Oriented Architectures (QoSCSOA 2008) (book chapter)
In: Service-Oriented Computing (LNCS 5472)

Signed

William O'Brien
